

Jason Lou

626-629-4062 | jloubusiness2005@gmail.com | [Portfolio](#) | Los Angeles, CA

EDUCATION

California State Polytechnic University, Pomona

B.S. Construction Engineering & Management

Pomona, CA

Expected May 2028

Rio Hondo College

Electrician Program: Electrical Trade Foundations

Whittier, CA

2024

WORK EXPERIENCE

FTI Consulting (Consultant)

Consulting Intern - Construction Projects & Assets

New York City, NY

Jun 2027- Aug 2027

- Supporting FTI Consulting's forensic and litigation team on construction strategy and disputes.

TESLA (Owner Rep)

Construction Project Management Intern

Lathrop, CA

Jan 2027- May 2027

- Supporting TESLA EPC (Engineering, Procurement, and Construction) team on batteries and optimus.

Swinerton (General Contractor)

Estimating Intern

Los Angeles, CA

May 2026 – Aug 2026

- Produced quantity takeoffs and trade package estimates on four active commercial projects: Block 100 (Newport Beach), OC WRE, Getty Core, Rialto City Hall pursuit and ELAC M&O, spanning design-build, hard bid, and CMAR
- Ran takeoffs on SD, DD, and CD drawings in On-Screen Takeoff and Bluebeam; built MasterFormat and UniFormat estimates in Destini with the OCLA estimating team
- Defined scopes, organized bin packages, and separated bid alternates to level subcontractor pricing and identify cost opportunities across trades

VCC Construction (General Contractor)

Project Management Intern

Irvine, CA

Sep 2025 – Nov 2025

- Ran full MEP takeoffs for the Moxy Hotel (Menlo Park, CA), pulling quantities from drawings and specs
- Supported hard-bid pursuits on Dick's House of Sport (Glendale, AZ) and a Las Vegas Strip storefront package
- Ran drawing overlays and slipsheets to isolate scope changes across revision sets

The Austin Company (Design-Build)

Preconstruction Intern

Irvine, CA

May 2025 – Aug 2025

- Completed a full quantity takeoff and 30% cost model across CSI Divisions 01–33 for a 156,000 SF facility at \$73.8M (\$467/SF), presenting cost assumptions and constructability findings to the estimating team
- Supported owner side preconstruction on aerospace projects for Lockheed Martin, Northrop Grumman, Raytheon, and L3Harris, including the B648 Vestibule, a 20,000 SF mission-critical project

AMPCO Contracting Inc (Sub-Contractor)

Project Engineer Intern

Irvine, CA

Jan 2024 – Dec 2024

- Reviewed demolition plans and schedules, processed RFIs and submittals, and coordinated OAC meeting documentation

PROJECTS

JTT Gigascale LLC | Founder of Data Center Site Selection & Feasibility, Lafayette, IN

Jan 2026 – Present

- Requested a Class 5 estimate to confirm 150 MW of available capacity with utility upgrades through direct engagement with Duke Energy on a target parcel in the Lafayette, IN market
- Reviewed owner documentation and engineering plans from Shook Brokerage and built power maps and feasibility analyses covering utility availability, substation proximity, interconnection timelines, zoning, and water access

ASC Reno Sustainable Building Competition | Cal Poly Pomona

Fall 2026

- Develop a full sustainable building proposal against Skanska's project requirements within a timed competition window

AutoDesk Design & Make Student Ambassador

Fall 2026 - Present

- Promoting Autodesk Design & Make tools for AEC student engagement on campus.

TECHNICAL SKILLS

Software: On-Screen Takeoff, Civil 3D, AUTOCAD, Bluebeam Revu, Destini, BuildingConnected, Excel, Primavera P6, MS Project, Procore, MicroStation, SolidWorks, HTML, CSS, React

Certifications: OSHA 10-Hour, LEED Green Associate

LEADERSHIP

Social Chair, Design-Build Institute of America (DBIA)

Fall 2024

Member, CEMA, ASCE, AGC, CMAA, Practice Player | Cal Poly Pomona Women's Basketball

Fall 2024 - Present
